RE: **Cancellation Notice – February 16 Advisory Council Meeting**

The regular Advisory Council meeting scheduled for February 16, 2017 has been cancelled due to a lack of quorum. Unfortunately, due to the inclement weather, evacuations, etc. our Yuba and Sutter County members are not able to attend.

➔ The next Advisory Council meeting is scheduled for Thursday, March 16, 2017 in Sacramento County at the Agency on Aging \ Area 4 office. We hope to see you there.
