

## V. CORRESPONDENCE

Pam,

That is correct. I have spoken to the County Counsel in Nevada County regarding this matter. It is my opinion, and I believe hers as well, that we do need to open the JPA up for amendments at this time regarding the issues of memberships on sub-committees.

Hi Rick,

Governing Board Chair, Nate Beason, told me that you had contact with the county counsel in Nevada County. He said that both you and his counsel agree that the JPA does not need to be opened for changes and that we would get something in writing about this. I am checking back with you to see how we should proceed.

Thanks, Rick!

Pam
